IAS/PSS - 12/74
25 April 1974

MEMORANDUM FOR: Director, Imagery Analysis Service

THROUGH : Chief, Administrative Staff

SUBJECT : Production Support Staff Response to Watergate-Agency
File Review

1. Each person under my supervision was polled regarding any contacts with individuals known or suspected of being involved in the "Watergate" incident. In all cases the response was negative. Based on these results, no attempt was made to contact ex-employees.

2. Although all PSS files were considered for review for "Watergate-related" information, only appropriate active and historical files were actually searched. The time frame for the review was January 1969 to the present. The file review results were also negative.
